9. APPEAL – UNSUITABILITY OF GROUND

a) If the ground of the team first drawn is considered unsuitable for the match, having regard to all the circumstances, the opposing club may appeal to the Council within **7 days** of the receipt of the draw. In any event, the Council shall have the power to order that any match be played on an alternative ground or date if it is considered appropriate or necessary. Subject to this rule, the Referee shall have power to decide as to the fitness of the ground in all matches and their decision shall be final. In the case of the ground being declared unfit for play, the home team must obtain a report from the Referee declaring the ground unfit and forward it to Worcestershire FA to be received within **3 days** of the postponement (Sundays excluded). Clubs in default of these instructions may be fined.

d) When a match has been postponed or abandoned before the completion of 90 minutes of play and neither club is at fault, it must be played on the same ground within 14 days unless the Council agrees to or orders another ground or date. If the

match is abandoned, with neither club at fault, either before or during the taking of kicks from the penalty-mark to decide the outcome, then **ONLY** the taking of kicks from the penalty-mark be replayed at a ground decided by Council within 14 days.

e) Matches abandoned through the fault of either or both clubs shall be dealt with by the Council. The Council shall have the power to order that the score in any abandoned match shall stand.

f) The Council shall review any Competition Match that has taken place where either or both teams were under a suspension imposed upon them by The Football Association or Affiliated Association. c) Any team failing to give a satisfactory reason for withdrawing from a Competition may not be allowed to enter that Competition the following season and shall also be liable to a fine.

d) In the Semi-Final and Final, any team failing to play without showing a good and sufficient cause for failure to play, may be adjudged by the Council to be guilty of serious misconduct, and liable to be dealt with as the Council deems fit.

c) The Council may order any club involved in a dispute or protest to pay such expenses as may be considered appropriate towards defraying the costs incurred.

d) No protest relating to the ground, goal posts or other accessories of the game shall be entertained by the Council unless an objection has been lodged with the Referee prior to the commencement of the match. j) If the Council should consequently decide that any rule or spirit of the rule has, in its opinion, been violated by mutual agreement or otherwise, it shall have the power to disqualify either or both clubs from the appropriate Competition(s) or order the match to be replayed. For the Council to take this action it is not necessary for a protest to have been received from any club.
